

*Fascinated by the night sky?*

*Want to Learn more?*

Join the  
Lackawanna Astronomical Society

Anyone can join!

The Universe Awaits!

Meet people who share your fascination.

We have them all – beginners, experienced, and everyone in between. Visual and armchair observers; Astro-photographers of all skill levels.

**Monthly meetings are the first Tuesday of the month at the TGC Observatory, Fleetville, PA at 7:30 PM.**

- ★ We have our own observatory on-site
- ★ Participate in Special events
- ★ We host Star Parties at local state parks during the summer
- ★ The *Ecliptic* newsletter emailed to you as an exclusive member benefit
- ★ Receive email reminders to keep you up-to-date on meetings and events

★ Telescopes you can use

★ Borrow books from our library

In addition to scheduled LAS observing nights, members also have an opportunity to observe on the free TGC0 public nights.
